the sarcoma program

JOHNS HOPKINS
MEDICINE

the sarcoma program

The Sarcoma Program at Johns Hopkins provides comprehensive care for pediatric and adult patients with bone and soft tissue sarcomas. The Center uses a multidisciplinary team approach to care and treatment, which includes pediatric and adult medical oncology, musculoskeletal pathology, diagnostic radiology, surgical oncology, orthopaedic oncology, radiotherapy and plastic surgery. Cases are reviewed by a multidisciplinary team of Johns Hopkins experts at weekly conferences.

The Sarcoma Program Specialists

Kristy Weber, M.D.

Co-Director, Johns Hopkins Sarcoma Center

David Loeb, M.D., Ph.D.

Co-Director, Johns Hopkins Sarcoma Center

Orthopedic Surgery (bone and soft tissue cancers)

Kristy Weber, M.D.

Frank Frassica, M.D.

Pediatric Oncology

David Loeb, M.D., Ph.D.

Adult Medical Oncology

Katherine Thornton, M.D.

David Ettinger, M.D.

William Sharfman, M.D.

Radiation Oncology

Deborah Frassica, M.D., adult

Moody Wharam, M.D., pediatric

Radiology

John Carrino, M.D.

Laura Fayad, M.D.

Elliott Fishman, M.D.

Richard Wahl, M.D.

Pathology

Elizabeth Montgomery, M.D.

Edward McCarthy, M.D.

Douglas Clark, M.D.

Plastic Surgery

Gene Deune, M.D.

Neurosurgery

Ziya Gokaslan, M.D.

J.P. Wolinsky, M.D.
